Third-Party Software

SECURE MESSAGING

Cerience Repligo Reader

General Information	
Source Code Status	Not modified by Vocera
URL	http://www.cerience.com
Supplemental License Text	IMPORTANT-READ CAREFULLY This Cerience End-User License Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and Cerience Corporation for RepliGo Reader ("Software"), which includes handheld computer software and may include associated media, printed materials, and "online" or electronic documentation. By installing, copying, or otherwise using the Software, you agree to be bound by the terms of this EULA. If you do not agree to the terms of this EULA, you are not permitted to install or use the Software. The Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. This Software is licensed, not sold. END-USER LICENSE If you have purchased a single license, you have the right to install and use one copy of the Software on a single handheld computer. If you have purchased a multiple user license, you may install and use the Software ONLY for the maximum number of users permitted by your license. You may permanently transfer all of your rights under this EULA, provided the recipient agrees to the terms of this EULA. Without prejudice to any other rights, Cerience may terminate this EULA if you fail to comply with the terms and conditions of this EULA. In such event, you must destroy all copies of the Software. COPYRIGHT AND RESTRICTIONS All title and copyrights in and to the Software are owned by Cerience or its suppliers. The Software is protected by copyright laws and international treaty provisions. You may not reverse engineer, decompile, or disassemble the Software, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation. If this Software is part of a "beta" or "pre-release" program offered by Cerience, you must treat it as confidential and may not disclose any information regarding the Software to any third party without prior approval from Cerience. SUPPORT SERVICES Cerience may provide you with support services related to the Software ("Support Services"). Use of Support Services is governed by the Cerience policies and programs described in the user manual, in "online" documentation, and/or in other Cerience-provided materials. Any supplemental software code provided to you as part of the Support Services shall be considered part of the Software and subject to the terms and conditions of this EULA. With respect to technical information you provide to Cerience as part of the Support Services, Cerience may use such information for its business purposes, including for product support

	and development. Cerience will not utilize such technical information in a form that personally identifies you. U.S. GOVERNMENT RESTRICTED RIGHTS The Software and documentation are provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights at 48 CFR 52.227-19, as applicable. Manufacturer is Cerience Corporation/2950 East Harmony Road, Suite 250/Fort Collins, CO 80528. NO WARRANTIES Cerience expressly disclaims any warranty for the Software. The Software and any related documentation is provided "as is" without warranty of any kind, either express or implied, including, without limitation, the implied warranties or merchantability, fitness for a particular purpose, or noninfringement. The entire risk arising out of use or performance of the Software remains with you. NO LIABILITY FOR DAMAGES In no event shall Cerience or its suppliers be liable for any damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use this Cerience product, even if Cerience has been advised of the possibility of such damages. Because some states/jurisdictions do not allow the exclusion or limitation of liability for consequential or incidental damages, the above limitation may not apply to you. GENERAL This EULA is governed by the laws of the State of Colorado. YOU ACKNOWLEDGE THAT YOU HAVE READ THIS AGREEMENT, UNDERSTAND IT AND AGREE TO BE BOUND BY IT. YOU FURTHER AGREE THAT IT IS THE COMPLETE AND EXCLUSIVE STATEMENT OF AGREEMENT BETWEEN YOU AND CERIENCE. IF YOU DO NOT AGREE, YOU ARE NOT PERMITTED TO CONTINUE WITH THE INSTALLATION OR USE OF THE SOFTWARE.

7.3	VMP Server 4.9.1, 4.9.2

Google Cloud Messaging

General Information	
Source Code Status	Not modified by Vocera
URL	http://developer.android.com/guide/google/gcm/index.html
Supplemental License Text	When using the Google Cloud Messaging services, the following prohibitions apply: ▪ You will not perform an action with the intent of introducing to Google products and services any viruses, worms, defects, Trojan horses, malware or any items of a destructive nature. ▪ You will not defame, abuse, harass, stalk or threaten others. ▪ You will not interfere with or disrupt the APIs or the servers or networks providing the APIs. ▪ You will not promote or facilitate unlawful online gambling or disruptive commercial messages or advertisements. ▪ You will not reverse engineer or attempt to extract the source code from any API or any related software, except to the extent that this restriction is expressly prohibited by applicable law. ▪ You will not use the APIs to encourage or promote illegal activity. ▪ Google may set limits on the number of API requests that you can make, at its sole discretion, and you agree to such limitations and will not attempt to circumvent such limitations. Ownership: If you provide feedback or suggestions about Google's services, then Google may use such information without obligation to you. By using the Google services you do not acquire ownership of any rights to such services or the content that is accessed through the APIs for such services. You will not make any statement regarding your use of a Google service which suggests partnership with, sponsorship by or endorsement by Google without Google's prior written approval. Termination: Google reserves the right to terminate these terms or discontinue the services or any portion or feature for any reason and at any time without liability or other obligation to you. Upon termination of these terms or discontinuation of your access to the services, you will immediately stop using the Google services. When these terms come to an end, those terms that by their nature are intended to continue indefinitely will continue to apply, including but not limited to the warranties, limitation of liability, indemnity and modifications sections below. Warranties: **Neither Google nor its suppliers or distributors make any specific promises about the APIs. For example, we don't make any commitments about the**

	quality of the APIs or the content accessed through the APIs, their reliability, availability or ability to meet your needs. The APIs and content accessed through the APIs are provided "as is". Some jurisdictions provide for certain warranties, like the implied warranty of the merchantability, fitness for a particular purpose and non-infringement. To the extent permitted by law, we exclude all implied warranties. Limitation of Liability: When permitted by law, Google, and Google's suppliers and distributors, will not be responsible for lost profits, revenues, or data, financial losses or indirect, special, consequential, exemplary, or punitive damages. To the extent permitted by law, the total liability of Google, and its suppliers and distributors, for any claim under these terms, including for any warranties that may not legally be excluded, is limited to the amount you paid us to use the APIs (or, if we choose, to supplying you the APIs again) during the six months prior to the event giving rise to the liability. Nothing in these terms limits your responsibility for infringement of intellectual property rights. In all cases, Google, and its suppliers and distributors, will not be liable for any loss or damage that is not reasonably foreseeable. Indemnification: **You agree to hold harmless and indemnify Google, and its subsidiaries, affiliates, officers, agents, and employees, or partners, from and against any third party claim arising from or in any way related to:** 1. your misuse or your end user's misuse of the APIs; or 2. your violation or your end user's violation of these terms, including any liability or expense arising from all claims, losses, damages (actual and consequential), suits, judgments, litigation costs and attorneys' fees, of every kind and nature. In such a case, Google will provide you with written notice of such claim, suit or action. General Legal Terms: These terms control the relationship between Google and you. If you do not comply with these terms, and Google does not take action right away, this does not mean that Google is giving up any rights that it may have (such as taking action in the future). If it turns out that a particular term is not enforceable, this will not affect any other terms. The laws of California, U.S.A., excluding California's choice of law rules, will apply to any disputes arising out of or related to these terms or the services. **All claims arising out of or relating to these terms or the services will be litigated exclusively in the federal or state courts of Santa Clara County, California, USA, and you and Google consent to personal jurisdiction in those courts.**

IBM / Lotus Development Corporation C++ API Toolkit for Domino and Notes Software Development Kit

General Information	
Source Code Status	Not modified by Vocera
URL	N/A
Supplemental License Text	RESTRICTIONS You may not:

	(1) Use the Lotus C++ API Toolkit for Domino and Notes to develop an Application that, directly or indirectly, enables Users to access or share any Lotus Communications Product interactively, unless each such User is an authorized licensee of a Notes Client Product; (2) Transfer, sell, license, loan, lease or otherwise distribute the Lotus C++ API Toolkit for Domino and Notes, or any component thereof, to any third party, except as described below; or (3) Alter, merge, modify (except as permitted below), adapt, reverse engineer, disassemble, or decompile the Lotus C++ API Toolkit for Domino and Notes, or any portions thereof. The purpose of these provisions is to restrict Applications that are intended to: (a) mimic or substitute for the services provided by a Notes Client Product, or (b) assist any other computer program that is intended to mimic or substitute for the services of a Notes Client Product. Should you have any questions concerning these restrictions, please contact Lotus at the phone number or address referenced in the "Exceptions" section below. EXCEPTIONS TO THE RESTRICTIONS Lotus will consider exceptions to the restrictions stated above. If you are interested in obtaining such an exception, please call 800-782-7876 (in the US) or write to: Lotus Development Corporation Business Partner Program 55 Cambridge Parkway Cambridge, Massachusetts, 02142 Attention: API Toolkit License Exceptions © Lotus Development Corporation
